The Silver Lining

There's an old saying that every cloud has a silver lining. When a cloud comes into your life, look for the silver lining because it's there. If you can't see what the silver lining in the cloud is, sing *HU*. This will open your heart so you can say, "Thy will be done."

This is the real meaning of the word *HU*. It's adopting the attitude "Not my will, but thy will."

If you pray to God, be thankful for the gift of life. Thank God for that, then go on and handle the rest of your life as best you can.

—Harold Klemp, *The Sound of Soul*, p. 45
